CAMPING STOVES

No. 22 for Paraffin (Kerosene)

No. 22B for all kinds of Petrol (Gasoline)—consequently ordinary car-petrol (regular or super) containing lead, too.

Stoves Nos. 22, 22B are of the same design as stove No. 111 but fitted with two burners.

Powerful, easily regulated roarer burners with self-cleaning device.

Built-in pump gives desired pressure for quick cooking.

Tank lid fitted with safety valve.

When using petrol or alcohol as fuel—no need to use preheating spirit.

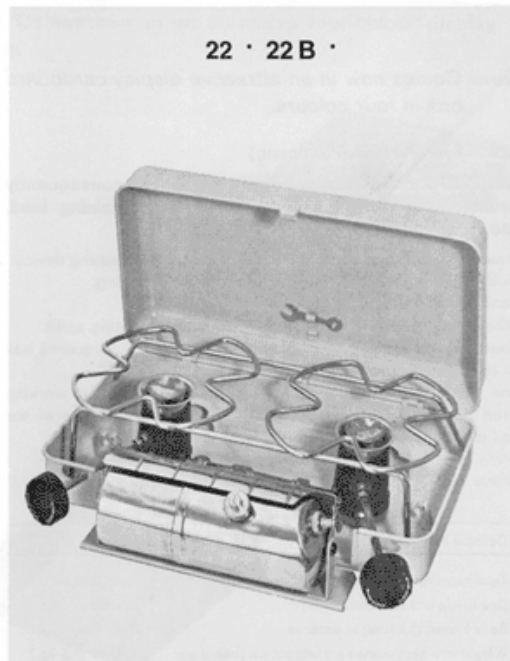

These stoves are delivered in a handy, attractively lacquered box of strong steel-plate. Tank of polished brass.

Stoves Nos. 22 and 22B are supplied with windshield round the burners thus ensuring perfect performance even under adverse weather conditions. The upper part of the box can also be used as windshield.

Stove No. 22 is supplied with spirit can and spanner.

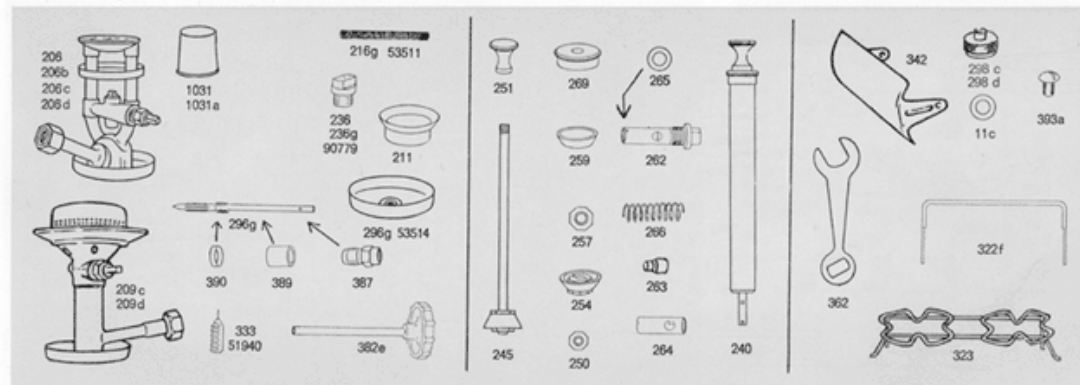

Stove No. 22B is supplied with spanner.
